RE: Closing Practice

To all my patients,

This letter is to inform you that I will be closing my practice at Santé Mont Royal, effective October 25th, 2021. I must re-orient my career, and it will no longer include maintaining a family practice. I will be closing my practice at Santé Mont Royal, and I will no longer be your family doctor.

Regrettably, there are no doctors at Santé Mont Royal currently taking new patients, and I have no family doctor to refer you to. To find a new family doctor, I advise you to register on the GAMF (Guichet d'accès à un médecin de famille) waiting list, either online or by phone. Details on how to do so can be found at this website: www.gamf.gouv.qc.ca

With the closing of my practice, you will no longer be patients of the GMF. However, the urgent care clinic at Santé Mont Royal remains accessible to non-GMF patients. The procedure for booking urgent care appointments remains the same.

Please note that any results of tests I ordered prior to my departure date are received by Santé Mont Royal and reviewed by designated doctors. Your medical charts will remain at Santé Mont Royal. Please direct any request for chart copies or information to Santé Mont Royal as I will no longer have access to them.

It was a privilege to be your family doctor, and I wish you all the very best,

Dr. Tiffany Gasse
